MEMORANDUM

TO: Distribution

FROM: *Mary C. Lawton*  
Mary C. Lawton  
Counsel for Intelligence Policy

RE: NSDD-84 Proposed New Executive Order

Attached are copies of the proposed Executive order to govern access to classified information that has now been forwarded to the President along with transmittal documents asking that he resolve the five remaining issues before the OMB clearance process begins. I would remind all of you that these materials are internal Executive branch documents that should not be disseminated outside the Executive branch.

Once again, I want to thank all of you for your time and hard work.

This Copy For:

[Redacted]

Executive Officer of Security
